COMPETITION FOCUS

The Fundamentals Circuit is a series of early development competitions based on the Fundamentals stage outlined in Swimming Canada’s Appropriate Athlete Development. The focus age for the Fundamentals Circuit is 11 & under, however it is understood that there will be cases where swimmers aged 12 & over are truly novice. New 12 & over swimmers may enter the fall competitions with the purpose to establish times and experience their first races. For competitions held December and onward, swimmers aged 12 & over should attend invitational competitions. Coaches should use discretion when entering 12 and over swimmers. Swimmers of any age who are registered with the Dolphin Swim Club are welcome to attend.

In addition, swimmers with a disability who are currently classified with a Level 1 classification or who may seek classification as a para swimmer in the future may participate regardless of age.

SAFE SPORT

All interactions between an athlete and an individual who is in a position of trust should normally, and wherever possible, be in an environment or space that is both “open” and “observable” to others.

RULES

The meet will be conducted under published World Aquatics and/or WPS rules and regulations supplemented by published and approved Swimming Canada and Swim Alberta rules and regulations. In addition, this meet package shall outline all changes to and specific application of the published rules. Swim Alberta policies and procedures, where appropriate, will also apply.

DIVING RULES

Starts will be conducted from Starting Platforms (blocks) as per World Aquatics Facility Rule 16.1.4, 16.1.8 and Swimming Canada’s Swimming Rule 4.1.

Meet Management reserves the right to alter, revise, limit enrolment, or otherwise modify the program to ensure maximum number of swims in a session of reasonable length. Coaches will be notified of any changes prior to the meet.

SANCTIONED BY SWIM ALBERTA – SANCTION #XXXXX

COMPETITION AND DIVING READINESS STANDARDS

Entry to competition is limited to participants who have passed Swim Alberta's Competition Swim Test. During the competition, swimmers should dive at the Dive Readiness Progression skill level they have achieved.

ELIGIBILITY

The following swimmers are eligible to swim in the Fundamentals Circuit competitions.

- a) This competition is open to all swimmers currently registered with a Swimming Canada affiliated club that is participating in the Fundamentals Circuit.
- b) Swimmers who are registered as pre-competitive can enter and compete in ONE sanctioned competition per swim season. Swimmers who wish to enter additional competitions must upgrade to a competitive registration.
- c) Swimmers are de-qualified from entering any event in which they have achieved an 11-year-old Festival time standard. While it is not recommended that swimmers enter events in which they have achieved a 10 & under festival time, it is permitted, understanding that swimmers often age-up during the season and will require opportunities to achieve an 11 and under standard.
- d) Para swimmers with a Level 2 Classification who have achieved the para swimming provincial time standard are de-qualified from the Fundamentals Circuit.
